Objective

Seeking a challenging career in a reputed firm where I can put my technical skills and enhance the overall database knowledge to help the Company in increasing its productivity and enhancing interpersonal skills, working with new technologies, having all most sincerity in spirit and diligence at the workplace that would lead to the fulfilment of personal and corporate goals.

Work Experience

Foiwe Info Global Solutions LLP, Bangalore from Jan-2020 to Dec-2022

Designation: Systems Engineer

Location: Bangalore

Project Description

From AI, One of the most interesting uses of computer vision, from an AI standpoint, is image recognition, speech detection, language identification; text recognition which gives a machine the ability to interpret the input received through computer vision and categorizes it.

Role and Responsibilities:

- **AI** systems have the ability to execute tasks naturally associated with human **intelligence**.
- Human intelligence like speech recognition, decision-making, visual perception, and translating languages.
- We need to filter the huge raw content based on clients' requirements.
- SQL querying using SELECT statements, it helps for analyst to perform a certain amount of data analysis and testing on their own.
- Designing and coding database tables to store the application's data.
- Being a part of **AI** System team wherein I perform activities like some major and minor enhancements and unit-testing, which includes Report creation or changes and deploying the same.

Certifications

Testing certified in **Java and testing** course conducted by **ABC Technology Training & Up skilling.**

Academic Qualification

BE- (CS) - Basvkalyan Engineering Collage, Basvkalyan, Karnataka **(2019)**

XII – Satya Niketan P.U Collage, Bhalki Karnataka **(2014)**

X – Shanti Vardhak High School, Kamalnagar Karnataka **(2012)**

Declaration

I hereby declare that the information provided above is true to the best of my knowledge and belief and these data correctly describe my qualification and me.
